The hot bath felt good
It sure did
Ah, Rumi-san, table tennis!
Oh, neat
キャッ

10 minutes later

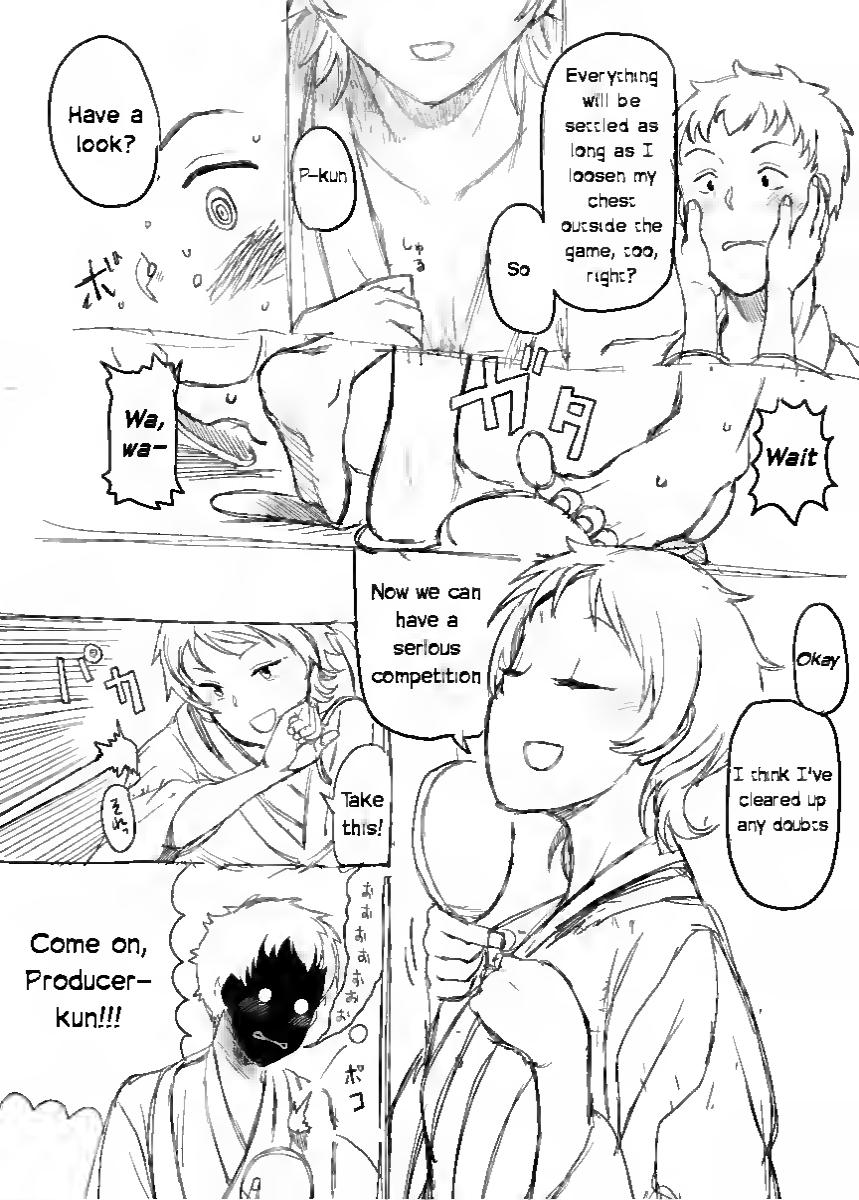
That's unfair, Rumi-san!!
ガクッ
Damn it!!
ぬわ――？
Hmph
Unfair?
Your clothes are fluttering open!!
It's ruining my concentration!!!

If it weren't for that, then the last ball...
Fu-fu
Is that your excuse for losing?
I'm saying it wasn't fair!
It was your naughty stare though
That chest
Grr... Th,that is...
That is?
What I mean is...
Take a look at your boobs!!!
!?
オリャ

Troubled look
Your boobs were bouncing all over, Rumi-san
The whole game I kept thinking about how they could pop out at any time
Don't take this the wrong way!
Your normal look is so composed
During the game you weren't composed at all
It's awfully suspicious that your chest is suddenly so unguarded
ばん
You can't say it wasn't intentional !!
Hmph
I won't be tricked so easily
Producer-kun, do you .

Wanna see?
Wh
W
What
What are you saying?!
No, I mean, I was just trying to point out the logic behind the problem that I was having...
I didn't have any ulterior motives behind what I said
So you don't want to see
No
Um
That is

Hm
You want to see?
I do want to see
Well
A little
No, w-wait a minute, Rumi-san!
Don't tell me to stop
What about your suspicion from earlier, Producer-kun?
What am I supposed to do to prove my innocence?



Have a look?
P-kun
Everything will be settled as long as I loosen my chest outside the game, too, right?
So
Wa, wa-
Wait
Now we can have a serious competition
Okay
I think I've cleared up any doubts
Take this!
Come on, Producer-kun!!!
